

Marina Jankovic

Brings psychological depth and a holistic approach to every client

Overview

Marina is a Master Certified Coach with 15 years of international experience in business management, talent development and executive education. She has managed a global diversity and inclusion program for a company operating in 180 markets and made a direct contribution to building a more diverse talent pipeline and inclusive culture.

Working across industries and sectors, Marina enables leaders and coaches to step up in service of their higher purpose and wider leadership role. She combines her business acumen, leadership experience and coaching mastery in developing transformational programs that positively impact people, organisations and society. Marina brings psychological depth and a holistic approach, supporting clients to develop into thoughtful leaders who care about the planetary ecosystem and create shared value.
