

Meiling Canizares

A 'go to' mind for human and organisational development

Overview

Meiling is a professional coach and skilled training and workshop facilitator with more than 20 years of experience in learning and development and human resources management, gained in a wide range of industries.

Her inspiration is to help people and organisations to develop, in order to be the best version of themselves. She builds relationship with her clients based on ethics, trust, respect and cooperation. She works at both a strategic and tactical level, not only supporting clients in strategic planning, but also showing the energy and commitment to get things done in the moment. She is co-author of the book "Coaching & Profile Analysis."
