

## Till Noethel

An intuitive person who's quick to absorb, analyse and assist

### Overview

Till is a leadership coach, trainer and speaker with over 3 decades of professional experience. He is an expert in higher self-leadership for successful business-owners and senior executives who want to change their lives for the better. He sees deeply into people's hearts and souls, uncovering their strongest pain and greatest joy, and connecting their unique qualities into a new level of purposeful living. With his teachings, he has supported thousands of managers and leaders in countries throughout Europe, Asia, North America and Australia.

Till's unique work is based on 15 years in marketing, sales and general manager assignments in internationally renowned companies like Red Bull and Imperial Brands.
