

Andrea Wirsum

Lifts motivation and personal responsibility

Overview

Andrea is a systemic coach, speaker and trainer. She leads with charisma and has great empathy that immediately spills over to everyone around her. Andrea's mission is to help her clients see paths where they haven't seen one before. She has accompanied 1,500+ career changers into independence and equipped them with all the necessary skills, motivation and self-confidence to master their new challenges with success and fun.

Prior to coaching Andrea spend over 20 years working for and with international companies and premium brands including The McCann Group, Anheuser-Busch and Engel & Völkers.
